Estate Presentation: Since the 1997 vintage the wines produced by this Chateau have spent one year maturing in barrels. The wines are bottled on the estate in order to keep control over the whole production process. The quality procedure initiated on the estate has taken the wines up to new levels of excellence, and will continue to do so in the future.

Tasting Notes : The Merlot offers great finess and roundness, and gives this wine a delicious garnet-red color with crimson tints, and an elegant bouquet of caramelized cherry and redcurrant along with hints of cinnamon. On the palate, the wine is ample and the tannins smooth. The finish is long lasting and powerful with notes of vanilla mingling with liquorice aromas.
