« CUVÉE LA PESEILLE »

SAINT-ESTÈPHE - VINTAGE 2015

Owner

Jean-Marc Martin

Presentation

Located in the heart of the Médoc vineyard, this estate reveals all the authenticity of a family inheritance over three generations

The plots are located to the south of Saint-Estèphe. Harvesting is conducted in a total respect of the grapes, with sorting table, and the traditional vinification with a long fermentation period is followed by 6 to 12 months ageing in oak barrels.

A field as well as a technical man, Jean-Marc skilfully combines his many talents whose one and only goal is his passion for great wines as well as the desire to promote his soil.

Tasting note

This wine displaying a deep and intense ruby colour, offers a beautiful bouquet with aromas of blackberries, leather and a hint of toasted notes. The palate reveals a good structure with soft tannins and smooth finish.
